Hi Ty,

I am out of town until Tuesday but cannot properly evaluate your request without knowing what you plan to amend. Please send us a draft of the amended Complaint so that we can do so.

With regard to the service of the Rule 11 Motion, it was served pursuant to Rule 5 on January 23rd. Under Rule 5, service is effective when sent. The 21-day cure period expired yesterday. As a professional courtesy, however, we will withdraw the motion filed this morning and review any draft of the amended Complaint you get us today or over the weekend.

EXTERNAL: Sent from outside haynesboone

Rule 11 grants 21 days from the time a draft motion was served. Steve was served on January 24, 2020, and that means our response is not due until today. Please advise on why the motion already has been filed.
